Insanity---His Appetite Continues Good.

Special Dispatch to the Chicago Tribune. New York, Nov. 25.-For nearly a week rumors that Horace Greeley is insane have been afloat. Inquirers at the Tribune office were assured that Mr. Greeley was office were assured that Mr. Greeley was suffering from nothing but nervous prostration. Thus far no journal has alluded to the matter until the Star. this morning, announced substantially that Mr. Greeley is a crazy man. Mr. Whitelaw Reid said, this evening, that Mr. Greeley has scarcely eaten or slept for ten days, and that his condition is such that a stranger might consider him insaae, but his friends know his constitutions. his eccentricities, which are now more prominent than usual. He is at presentat Mr. Stewart's house, in Tarrytown, where his friends are endeavoring to secure for him that repose of mind and body, which his physicians say alone are needed to re-store him. His immediate medical attendant, Dr. Bayard, says Mr. Greeley is sick from nervous exhaustion, consequent upon his unexampled tour to the West, and the death of his wife. The patient seems ab-sent-minded at times, with confusion about names. The stories about his raving vio-lence are groundless. Mr. Greeley's great mental exertion during the last two months previous to the election, and his bereave-

ment have rendered sleep impossible, and his nervous system is unstrung. With rest and recovered appetite, his speedy re-BY USING DENSAMSICUS.

Made by F. H. BUTLER & CO. Lowell, Mass., and absolute certainty. As the case stands he sold by all Draggists. Price 25 cts. 6-12dttswiy is a sick man and not crazy.
